March 2025

FOUNDATION 2 – SEPTEMBER 2025

Travis St Lawrence have now received notification from Doncaster Primary Admission team that Round 1 of Foundation 2 Applications have been processed by their team.

If you applied and selected Travis St Lawrence as your 1st preference, please can you contact school either by telephone (01302 840200) or email JBerriman@tsl.dsaf.education to confirm your acceptance for September 2025. This acknowledgement will help us greatly with numbers we invite to attend our Welcome to Travis meeting in the next few weeks.

If you applied and your 2nd or 3rd preference was for a Foundation 2 place Travis St Lawrence, we sincerely hope that you received the school of your choice. However, if you would like to receive an offer of a Foundation 2 place in September at Travis St Lawrence, please contact school to confirm your choice.

Over the next few weeks our Foundation Lead and Headteacher will be setting dates for our new families to attend a Welcome to Travis meeting. At this meeting, you will receive a school starter pack, containing all necessary paperwork which must be completed before your child's start date.

Dates for home visits, transition visits and stay and play sessions within our Foundation 2 unit will be confirmed to you at a later date.

As always, should you require further information regarding the start of your child's journey with Travis St Lawrence, please do not hesitate to contact us.

Yours sincerely

Mrs P Cousins
