## This week at School

Wow, what a busy week we have had!

At the beginning of the week, our year 1 children took part in a road safety talk. They learnt about the hazards on our busy roads and how to keep themselves and others safe.

Over the past two weeks, our year 6 children have been taking part in 'bike-ability' training. All have learnt about how to ride and keep themselves safe when cycling near a road.

Our year 4 team held a parent/carer meeting to share information about the year 4 multiplication check. They held one at 3:30pm and 5pm to offer more opportunities for attendance. For more information please see the link:

On Tuesday, our year 3 children took part in an immersive stone age day. They had the opportunity to learn about what life was like and create artwork around this.

In the week beginning 2<sup>nd</sup> March 2026, we are hoping to hold our first careers week, with the theme 'broaden horizons- raise aspirations'.

We are wanting to give our children exposure to lots of different career opportunities and learn about how their hard work and positive work ethos can support them with their future plans.

We would love to challenge the stereotypes of 'pink' jobs and 'blue' jobs too.

We are seeking any volunteers who could spare anytime during this week to inspire children and talk with them about their careers.

Please let me know if you, or someone you know, would be interested in supporting.

Thank you so much
