This week at School

This week has been a week of pupil voice.

On Wednesday, our Young Leaders visited Hatfield library to interview Glynis Smith and Rachel Ridler. The children shared their concerns for the local area, what needs to happen next and how they could work together as a community to drive action. The main themes were parking, which is a major concern for the children and our school team, and litter. The visitors shared some valuable advice on how we could drive this forward.

In two weeks, our pupil parliament team will be going to London to visit Parliament. They have been thinking about questions that they want to ask Lee Pitcher MP. We are so excited to lead this event and hope that this will be an annual visit. Our Pupil Parliament meet once a week to set a question to each class. These questions have led to introducing a calming walking through school scheme and plans for a quiet outdoor area. We are very impressed with our future leaders.

On Friday evening, we met with our fantastic Friends of Travis (PTA). We formally thanked them for all of their hard work with the Christmas celebrations and the wrapping of over 400 Christmas books. Without this team, we would not be able to afford the 'cherry on the top' resources to bring our curriculum to life.

This week, they have agreed to fund new history, geography and Travis Trait boards to enhance the children's learning, for both sites. They have also agreed to fund lockers for our upper site children, when we have more funds.

The group are always looking at alternative fundraising activities including a February disco, a potential fashion show, refreshments at our possible Easter Hop (rearranged Santa Dash) and an Easter Quiz and Bingo night.

We do need more and more volunteers, please contact the school or the PTA Facebook page to offer your support.

Thank you
