Week beginning 9th March 2026

This week at School

This week many of our school activities have been around safeguarding.

Our year 1 children have taken part in the safe touch talk which was delivered by our Doncaster school nursing team. Teaching children about safe touch is essential for protecting them from abuse, establishing bodily autonomy, and fostering healthy emotional development. It empowers them to recognise, communicate, and set boundaries regarding inappropriate physical contact, equipping them to say "no" and report discomfort, even with known individuals

On Monday, our staff took part in domestic abuse training. This was delivered by the 'One of a kind' service from Doncaster Council. The One of a Kind programme in Doncaster is a specialist children's group work initiative designed to support children in recovering from their experiences of domestic abuse. Please speak to any staff member if you have any concerns.

Service for our beautiful Beryl

On Thursday 12th March 2026, our year 1-year 6 children joined together to celebrate the love of Beryl Adamson.

Beryl Adamson was our chair of the Local School Board and had been part of our school community for over 20 years. During this time, she gave so much support and care to all who have worked with her. Beryl loved every child in our school and was always their champion.

During the service, children talked about all that Beryl has given to our school. Some of the staff also gave a recount of times where Beryl had been in school.

Beryl is really going to be missed.
