Your weekly newsletter about our school!

Week beginning 26<sup>th</sup> January 2026

## This week at School

Wow, what a busy week with extra-curricular activities we have had!

This week, our year 5 children conducted a walk around our local area, visiting local business and conducting a traffic survey. They were surprised by the volume of traffic travelling through Hatfield town centre and the impact on the health of the residents.

On Thursday 29<sup>th</sup> January 2026, representatives from year 3, 4, 5 and 6 attended Sheffield Arena as part of our Young Voices choir. They had the most incredible time singing and dancing. We were so proud of them and the way that they were ambassadors for our school. Shortly, they will be touring to lower school to share their singing with the children there.

## Visit our Classroom Website

We are so excited that our new website is live. We are gradually adding more and more including a new calendar and news.

Please visit!

The address is the same:

## Sensory Igloo

What an exciting week, we have had!

This week, we welcomed a sensory igloo to lower site. It arrived with much enthusiasm and excitement and we were certainly not disappointed. This igloo was installed in our lower library where it is accessed by all children (even staff after school time!).

Children from nursery to year 2 have been timetabled to share time in the igloo, enjoying the toys, the sensory equipment and the ball pit.

We have loved spending time in the sensory igloo this week and look forward to it moving to upper site next week.

Thank you
