Your weekly newsletter about our school!

Week beginning 8<sup>th</sup> December 2025

## This week at School

With the busyness of the past two weeks, we have not managed to do a weekly newsletter- sorry!

Over the past two weeks, our lower site has been a buzz of costumes, songs and performances. Last week, our nursery and foundation stage 2 children led two nativity services- Wiggly Nativity. It was absolutely gorgeous and launched our Christmas celebrations beautifully.

This week, our KSI children led their own nativity. It was amazing to see so many singing animal characters involved!

Thank you so much to all of our staff who put so much into these performances and thank you to the parents/carers for their continued support.

On Monday 1<sup>st</sup> December, our year 2 children went on a school visit to Epworth. They took part in a walk around nativity, experiencing the importance of the story and seeing the reason for the season.

## Visit our Classroom Website

We are so excited that our new website is live.

## Upcoming Events

Tuesday (both at upper site)

- 9am upper site children Santa Dash
- 2pm lower site children Santa Dash

We are keeping an eye on the weather. If the forecasted rain comes on Monday, we might have to postpone as both the playground and field will be very wet and potentially dangerous. As soon as we know we will keep you informed.

Wednesday - Christmas Dinner Day and children can also wear their Christmas jumper (with usual school uniform for the remainder of the clothing)

Thursday - 9am Year 4 children will lead a Christmas service in church to upper site and their parents/carers.

Thursday - 2pm Carols on the Playground Upper site parents/carers to join children to sing Christmas carols on our playground. We do not have a wet weather substitute so, should the weather be volatile, we would not be able to hold this.

Friday- Christmas Party Day- all children can arrive in their party clothes. The party will be in the morning. We will provide party snacks and games. The children will also receive their Christmas gift from the PTA.

Friday - light service held in church for all year groups to attend in the afternoon.

Friday- school closes at 2pm.

# Star of the Week

We are so proud of all of our children and the hard work they have put in.

Technology

Travis is moving up and engaging in more technology!

On Monday 1<sup>st</sup> December, we had new phone lines connected. This does mean that 01302 840200 and 842164 both connect to the same line. We are now also able to access voicemails which could not be done before!

On Tuesday 2<sup>nd</sup> December, we had a new signing in system fitted. We have been so desperate for this and have had to be patient whilst saving for it. As with anything at Travis, there have been a couple of teething problems but it should be up and working now!
