This week at School

Wow! What a busy, short week we have had this week.

On Tuesday, both Year 4 classes worked with With Me In Mind and completed a workshop based around 'Kindness'. During the workshop, the pupils looked at what kindness means, how it looks and how it feels. They engaged well with the mental health support workers asking and answering a range of questions in a thoughtful manner.

On Wednesday and Thursday, we had the pleasure of welcoming a team of Ofsted inspectors. This was a visit that we have been patiently waiting for looking forward to showing of our incredible school. The inspectors themselves wanted to us to pass on their gratitude to both parents/carers and pupils for taking the time to speak with them, share their thoughts and give them a window into what life at Travis is like. They commended how articulate the children were in their many discussions. They certainly picked up on the family that we are at Travis. The full report will be shared with you in a few weeks when published.

Year 6

Don't get stressed...

Just do your best!

Remember you've been blessed...

SATs don't measure sports
SATs don't measure art,
SATs don't measure music,
Or the kindness in your heart.

SATs don't see your beauty,
SATs don't know your worth,
SATs don't see the reasons,
You were put upon this earth.

SATs don't see your magic,
How you make others smile,
SATs don't time how quickly,
You can run a mile.

SATs don't hear your laughter,
Or see you've come this far,
SATs are just a tiny glimpse,
Of who you really are.

So sitting at your table,
With a pencil and your test,
Remember SATs aren't who you are,
Remember **you're the best!**

A Farewell...

On Friday afternoon, we said a sad farewell to Mrs Abbott. We held a special assembly to say goodbye to Miss Abbott who has worked at Travis for an impressive 22 years.

Thank you Miss Abbott for all the love and care you have shown to Travis children over the years and for your support and friendship to the staff in our Travis family. Over the years, Mrs Abbott has touched so many individuals and their families and played many different roles across school. She has worked as HL support, class-based teaching assistant, senior midday supervisor, Thrive and Forestry School practitioner just to name a few.

You will be greatly missed, but we know that your patience and kindness will spread out into our local community as you take up a new role in the care sector.
