This week at School

Another busy week here at Travis.

On Wednesday, our Foundation Stage 2 pupils went on their school trip to The Deep. Both Mrs Kelly and Miss Brumwell shared how everyone's behaviour was exemplary - they made us very proud! They have then had a busy week using their trip to complete lots of learning. They have been very eager to share and haven't stopped talking about everything they saw. Well done F2!!

Year 1 have also been super busy completing their Phonics Screening. We couldn't be prouder of every single pupil completing their check this week. They have shown such determination and resilience.

We are all so incredibly proud of you Y1!!

Year 4 have also been very busy completing their Multiplication Checks. Again, we couldn't be prouder of you all. You have shown real maturity and resilience completing them this week. All that extra practise has paid off. Well done Y4!

Parking

As you are all aware, Cuckoo Lane become extremely busy before and especially at the end of school each day. We recently have had a couple of near misses with children crossing the road and the volume of traffic on the road.

Please could everyone continue to be mindful over where they are parking to ensure that children can safely cross the road. Parking on the verges is making it difficult for our children to find safe crossing places where they have a clear sight of potential oncoming traffic. The red sections also are for children and their families to cross - car should not be parked across this or stop.

Thank you for helping keep everyone safe!
